

X-Focus Handheld Light

XFH211

Featuring a compact and lightweight design, the *Energizer*® X-Focus is a bright light with the latest in LED technology. The light features exceptional beam flexibility through an adjustable focusing lens. A simple twist enables users to adjust the light beam to either a powerful spot light or wide flood light to meet all their lighting needs. The light is constructed with a non-slip grip, lanyard loop and a shatterproof lens to enhance durability. The *Energizer* X-Focus is a truly powerful light for all indoor and outdoor lighting needs.
